MEMORANDUM FOR: Deputy Director of Personnel for
Recruitment and Placement

SUBJECT : Recruitment of Persons Having Any Association
With the Peace Corps

REFERENCE : Note for C/RD fr [] dtd 9 Jan 69,
Subject: Peace Corps Trainees

25X1

1. I have reviewed referent note from [] concerning a more definitive statement on the employability of Peace Corps trainees. In his note Tom is concerned with those persons who were trained but never left the United States. My answer to his specific question is no! Whether or not these trainees were on the Peace Corps payroll, to the normal observer they would appear to be associated with the Peace Corps. In addition, foreign nationals on the campus who are aware of who is associated with the Peace Corps program at a given university do not make "nice distinctions" concerning the relationships of our citizens to the Peace Corps. The Corps also has told me that in most training programs nationals of the country for which training is being given are used as instructors and they too do not make the distinction. Therefore, it behooves us all to reject an applicant if there is the slightest doubt of how others view his or her relationship with the Peace Corps.

2. Members of a faculty of a college or university who are under contract to train Peace Corps personnel may be considered for employment only when everybody clearly understands that they are employees of the college and not affiliated in any way with the Peace Corps itself!

3. Quoted below is the statement of our policy concerning the hiring of persons ever having been associated with the Peace Corps.

"By agreement with the Peace Corps, this Agency will not hire any person who has been employed by the Peace Corps until five years after the termination of that employment. This same policy applies to persons who were

4. I suggest you advise the recruiters to get in touch with Headquarters, as soon as possible, whenever there is a question related to Agency policy on this matter.
